Queer Poetry Anthology Survey

Thank you for submitting your work to the WA State Queer Poetry Anthology! Your submission will be featured on the Anthology website along with your name and some information about you.

The survey below asks you to provide details about yourself, and should take about ten to fifteen minutes to complete. The information you provide will be used to help readers find your poem and poems by other authors on the Queer Poetry Anthology website, as well as to help us connect your poem to similar works based on shared identity and personal background.
